VT Housing application site down

IT Status

The site administrators have reported that unfortunately, the housing website (https://systems.housing.vt.edu/) is down at the moment. They do not have a time when it will be back up, but they hope to have it up soon. As a result, Housing and Residence Life has pushed the application deadline back to May 4th. This deadline may be pushed back again if the problem is not resolved shortly. If you wish to contact Housing and Residence Life, their number is (540) 231-6205.
