Network

IT Status

Multiple building network maintenance, 21 December: Description: Maintenance will be conducted on the converged (voice, wired and wireless) network in multiple buildings.

Date: Monday, December 21st

Maintenance Window: 5:00 am – 7:00 am

Expected Outages: The networks will be unavailable for the entire period.

Details: We will be upgrading software on the network devices that provide services in the listed buildings.

Schedule Conflicts: If there are any schedule conflicts with this maintenance period, please contact Ron Keller at rkeller@vt.edu [1] or 231-2305.

Contact: Should you have any further questions, or experience any interruption in network connectivity after 7:00 am on the 21st please contact the Virginia Tech Operations Center at 540-231-6780.
