Suspicious or Unusual Activity Error in VT Google Apps Mail

Knowledge Base Article Filed under

- VT Google Apps Mail [1]

4022

Question:

When I try to log in to my VT Google Apps Mail account I receive the following error message and am "locked out": Account access temporarily disabled because of suspicious activity. Google has detected unusual activity related to your account and temporarily disabled it. To reestablish access to your account, contact your Google Apps administrator.

Answer:

See instructions at Suspicious or Unusual Activity Error in VT Google Apps Mail [2].
