Banner Outage

IT Status

A 5-hour Banner service outage occurred resulting in many jobs running during the outage to be aborted.

IP connectivity to the site is not impacted, however, only data prior to 10/12/2016 is available.

Banner Warehouse is out of service until recovery has been completed. After recovery, the data from 10/12/2016 through 10/15/2016 will be available.
