Minor Power Outages Throughout Campus

As of 11:25AM on 10/25/2016 the situation with regards to power outages has been resolved. If, however, there are any incidents or outstanding occurrences with regards to the outages, please submit an incident with 4HELP and include the location and time of the outage.

We are aware of a series of minor power outages that have been occurring on campus and are in the process of determining a solution. The outages appear to be short-lived and when power is restored, computers and the Avaya phones appear to reboot successfully.

If you continue to experience outages, please submit an incident with 4HELP and provide the building and time of day of the occurrence.
